

“How do I accept my gay child without compromising my Christian faith and values?”

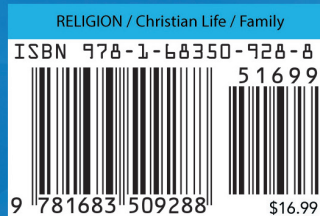

In a culture where gay rights, gay marriage, and a surplus of gender issues have recently exploded in the media, more and more kids are coming out—many from Christian homes with Christian parents who don't know what to do, how to respond, where to draw boundaries, or if they even should. Scripture, which is the foundational basis for how to live the Christian life, has even been brought into question, further confusing the hearts and minds of Christian parents.

Uncommon Love provides parents with sound Biblical guidelines for maintaining or repairing a loving relationship without compromising their own deeply held Christian faith and values or condoning sinful behavior. *Uncommon Love* is a thoroughly Christ-centered navigational guidebook for Christian parents whose kids have Same-Sex Attraction or are living the LGB lifestyle that focuses on God's Word and His heart for Christian families facing this difficult and heart-wrenching issue.

So real...so needed...so relevant...This unique Bible Study builds a bridge of hope for parents wanting to reach their SSA child through a caring relationship.
